[Winter 2010]

“Child’s Play” Becomes a Neighborhood Celebration

The call went out, “bring an unwrapped toy or game for a youngster from newborn to 11 years of age,” and the response was phenomenal! The ESNA community took to heart the circumstances of those for whom the holidays would be bleak. They joined

us at our Annual Carol Sing and brought toys and games and books and stuffed animals that would light up the faces of the young children in the Ambulatory Pediatrics Unit of NY-Presbyterian Hospital. Special thanks for the incredible, oversized carton packed with all manner of delights donated by Hallak Cleaners. And ESNA wishes to thank TD Bank for their hospitality in hosting us at the 3rd Avenue and 64th Street branch, for providing an abundance of gifts for the children and for the cakes, cookies and warm beverages for the carolers! And, of course, the jolly elves’ hats!

Be a Part of the 2010 Census Team!

The U.S. Census Bureau is recruiting temporary, part-time census takers for the 2010 Census. These short-term jobs offer good pay, flexible hours, paid training, and reimbursement for authorized work-related expenses, such as mileage incurred while conducting census work. Best of all, census takers work right in their own communities.

Census taker jobs are excellent for people who want to work part-time, those who are between jobs, or just about anyone who wants to earn extra money while performing an important service for their community

Apply today. More information, including a practice test, is available at www.2010censusjobs.gov. Or call the toll-free jobs hotline: **1-866 861-2010**.
