Market & Restaurant Takeout & Delivery During Coronavirus Shutdown

The East Sixties Neighborhood Association is continuing our efforts to help local business, employees, and residents deal with the quickly changing landscape.

Many local markets & restaurants are offering take-out and delivery during the COVID-19 shutdown. Your support for these important local businesses could help them survive...especially if you order directly from the restaurant, instead of going through a third-party delivery service.

And whether your food comes from a market or a local restaurant employee or a third-party service, remember to tip you delivery person generously.
