The Bulletin of the East Sixties Neighborhood Association

[Volume 68]

www.esna-nyc.com

[Spring 2020]

*The Board of Directors of the East Sixties Neighborhood Association wishes you and your loved one good health and safety during these challenging times.*

*Earlier this month, the 10 of us phoned or emailed or snail-mailed each of our individual members to express our concern for their well-being and to offer whatever assistance a small community group might be able to provide. If there is anything you believe we can be of assistance with, please email us at [info@esna-nyc.net](mailto:info@esna-nyc.net) or phone us at 212 713-5826. Stay strong and stay safe.*

## Two Important COVID-19 Resources

**The State's Coronavirus Hotline** is open 24 hours if you have any questions or concerns: **1-888-364-3065**. If you need help getting medical care, you can also call 311. New York City will provide care regardless of immigration status or ability to pay.

**The NY-Presbyterian COVID Hotline 646-697-4000** can answer questions about COVID-19. This hotline is a public service to provide information only and not to diagnose, treat, or render a medical opinion. Their Coronavirus **Frequently Asked Questions** document is available on the [NYP Coronavirus website](#).

## Market & Restaurant Takeout & Delivery During Coronavirus Shutdown

UPDATE: May/June 2020

The East Sixties Neighborhood Association is continuing our efforts to help local business, employees, and residents deal with the rapidly changing environment. Many local markets & restaurants are offering take-out and delivery during the COVID-19 shutdown. Your support for these important local businesses could help them survive...especially if you order directly from the restaurant, instead of going through a third-party delivery service.

And whether your food comes from a market or a local restaurant employee or a third-party service, remember to tip your delivery person generously.
