## *The Very Best the East 60s Has To Offer!*

It's good business to do business among friends and neighbors. The business enterprises on the following pages provide our residents with life-affirming essentials – health care, groceries, dining experiences, schools, grooming, fitness and so much more. When you patronize local businesses, your money stays in our community.

In these very uncertain times, we urge you to shop and dine locally and experience the joy of helping one another.

Now is the time to return to your old haunts and to seek out new favorites. We encourage you to frequent these businesses whose support enables the association to carry out our neighborhood enhancement programs. We thank you for being a Good Neighbor.

*When ordering food delivery, we suggest you order directly from the restaurant, instead of a third-party delivery service.*
