Become an ESNA Citizen Tree Pruner!

Joyce Kilmer said it for all time – “...only God can make a tree.” Yet it takes a little human intervention to keep our city street trees thriving. And that's where the certified ESNA Citizen Tree Pruners come in during warm weather. We meet at 250 E. 65th Street at 9 am and usually work to at least 11am. Please join us! The tree pruning certification course is offered by Trees New York this spring. The course is given at the Arsenal 830 5th Avenue. To register, visit Treesny.org. Trained pruners who work with ESNA will have the \$100 course fee reimbursed by ESNA.
